

DURABLE ACOUSTICAL COMFORT

DURABLE, ACOUSTICAL, AND COMFORTABLE UNDERLAYMENT

NO.2024-07

**DURALUX™**

# QUICK AND EASY TO INSTALL

## TACKLESS AND STRETCH-IN INSTALLATION PROCEDURE

- 1**  
Measure the length and width of the room and cut DURALUX to size, leaving a 1/2" gap around the perimeter of the room.
- 2**  
DURALUX should be laid black side down. Ensure that it covers the entire area of the room.
- 3**  
Use double-sided carpet tape to secure the edges of DURALUX to the floor along the perimeter of the room, leaving a 1/2" gap around the edges.
- 4**  
Install tack strips around the perimeter of the room, making sure to leave a 1/4" gap between the strip and the wall.
- 5**  
Stretch the carpet over DURALUX and tuck the carpet into the gap between the tack strip and the wall using a knee kicker or power stretcher.
- 6**  
Use a carpet knife to trim any excess carpet along the edges of the room.

### Caution:

Using poor quality adhesive, incorrect type, or improper application method can cause installation issues. Please contact Dura Undercushions for the installation of DURALUX using the double-glue procedure.

When following the double glue-installation procedure, consider using a 1/8" x 1/8" x 1/8" U-notch trowel for even adhesive coverage.

---

# WARRANTY

Dura underlayments are warranted to retain their essential firmness, resilience, and porosity through the useful life of the floor covering under which they are installed. This warranty applies to all types of indoor installations. In the event of a confirmed product failure due to defective manufacture the company will replace, without charge, the defective portion of the underlayment with new equivalent product.

This warranty is valid only when the product is used in accordance with our instructions and for its intended purpose and does not cover defects or failures due to inappropriate use or abuse.
